To Whom It May Concern:

It has been brought to the attention of the Certificate of Correction Branch that the request for certificate of correction for Patent No. 7,617,607 filed December 22, 2009 contained errors. The correction listed to be at "Claim 10, line 1, before "comb" insert --trimming-- " is accurately listed in printed patent at --Claim 10, line 2--. The correction will be modified to be shown in Column and line number of the printed patent, Column 6, Claim 10, line 34. The correction listed to be at "Claim 12, line 3, delete "upon" and insert --ppen--, therefor " is accurately listed in printed patent at --Claim 12, line 4--. The correction will be modified to be shown in Column and line number of the printed patent, Column 6, Claim 12, line 40. The correction listed to be at "Claim 20, line 1, after "includes" insert --a-- " is accurately listed in printed patent at --Claim 20, line 2--. The correction will be modified to be shown in Column and line number of the printed patent, Column 6, Claim 20, line 61. The correction listed to be at "Claim 23, line 3, delete "made" and insert --blade--, therefor." is accurately listed in printed patent at --Claim 23, line 9--. The correction will be modified to be shown in Column and line number of the printed patent, Column 6, Claim 23, line 12. Respecting the alleged error at Claim 20, line 9, after "includes" insert --a--, comparison of the printed patent with the corresponding location in the application file reveals that there is no discrepancy. A certificate of correction will be issued listing the modified errors on 1050 and the remaining errors in your request.

No further response is required, from applicants (attorney). However, errors discovered by attorney, other than as noted and described above, should be noted on a *copy* of the Certificate of Correction that was issued in error, accompanied by a signed transmittal letter and submitted directed to this Branch.
